MANAGING SERVICE & COSTS

We manage your fleet, handling everything including:

- callouts & sick days
- driver recruiting & onboarding
- dispatching
- vehicle maintenance
- delivery tracking & technology
- insurance

YOUR DEDICATED TEAM

You are assigned a Client Account Manager for performance monitoring and the same uniformed drivers for your deliveries.

This means you have a consistent team familiar with your specific requirements, making us an extension of your brand.

SCALABLE GROWTH

Dedicated delivery service helps you expand and reach new markets and customers.

Customize fleet size, routes and service days to fit your specific needs and peak season.
