HELLO,

# EXCEL COURIER

COURIER • LOGISTICS

Moving lives forward

We have been experts at high-touch, time-critical same-day deliveries and warehouse management services in the Mid-Atlantic since 1986

## LET'S TALK ABOUT

SAME-DAY  
DELIVERY

SPECIALTY  
LOGISTICS

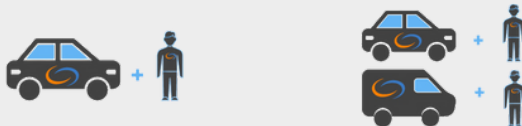

Since 1986, Excel Courier has been dedicated to providing reliable and consistent support for our clients' delivery operations in the Mid-Atlantic.

As your 24/7/365 agent, we understand that we represent your commitments to your clients.

Our fleet consists of compact cars, vans, straight trucks, specialty vehicles, and tractor-trailers, all equipped with GPS and state-of-the-art communication supported by real-time tracking.

Trust Excel Courier to deliver excellence in every shipment.

### BUILD YOUR OWN FLEET

### DEDICATED DELIVERY SERVICE

Managed transportation services. .

A customized solution to grow or replace your fleet with private vehicles and drivers. Great for regular routes and high-volume needs

### MEDICAL

24/7/365 delivery of medical specimens, pharmaceuticals, and equipment.

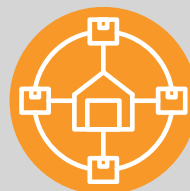

We specialize in temperature control and proactive quality assurance to maintain specimen integrity.

### AIRPORT / AOG / TSA

Ensure that items are correctly monitored, tendered, and recovered from airplanes.

We play an important role in handling material awaiting to be cleared by customs and delivered to the right destination safely and timely.

### LABOR AND WAREHOUSE

Managing your logistics solutions nationwide.

We're equipped with the expertise, resources, and personnel to scale your network and relocate facilities while providing personalized service.
